COLOR-MATCHED SPLITSTREAM VENT TRIM AND ROAD GLIDE® HEADLAMP TRIM COVERS

COLOR-MATCHED SPLITSTREAM VENT TRIM – BATWING FAIRING

The batwing fairing is a key visual and functional element of your Touring bike, and the Splitstream vent sits front and center for all to see. Shaped to replace the Original Equipment satin black soft trim, this one-piece rigid component blends into the sweep of the outer fairing and dresses the vent in style. Available in your choice of finishes, this vent trim is the perfect complement to available windshield trim kits.

Fits '14-later Electra Glide®, Street Glide®, Ultra Limited and Tri Glide® models with batwing fairing.

*NOTE: This product is a Paint to Order accessory. Please allow for an average of 5 weeks' delivery for this item.

COLOR-MATCHED ROAD GLIDE® HEADLAMP TRIM

This sleek one-piece headlamp surround adds a clean custom look to the nose of the Road Glide® model. The easy-to-install Headlamp Trim hugs the dual headlamps and covers the matte black factory bezel for a menacing aerodynamic appearance. The swept back look and the knife-edge side strakes emphasize the streamlined shape of the fairing without impeding airflow to the vents or obstructing headlamp light patterns. Available in your choice of finish, the self-adhesive Headlamp Trim can be installed without removing the headlamp or fairing.

Fits '15-later Road Glide models.
